National Council on Skin Cancer Prevention's

Indoor Tan-Free "Skin Smart Campus" Initiative

Don't Fry Day Initiative

National Council on Skin Cancer Prevention

We are a united voice of more than 40 organizations, associations, and agencies dedicated to preventing skin cancer through education, advocacy, and awareness.

What is the Indoor Tan-Free “Skin Smart Campus” Initiative?

Developed in response to the 2014 U.S. Surgeon General’s Call to Action to Prevent Skin Cancer; modeled after the *National Tobacco-Free Campus Initiative*

The Indoor Tan-Free “Skin Smart Campus” Initiative awards colleges/universities that prohibit indoor tanning devices on campus and in college/university-affiliated buildings, as well as promote skin cancer prevention education.

What are the Requirements to become a “Skin Smart Campus” School?

Tanning devices must be prohibited on campus & in university-affiliated/owned property

Additional criteria:

1. Does not support or promote any off-campus housing that provides indoor tanning devices (i.e., listing on the university’s off-campus housing web page, brochures, etc.)
2. Does not allow students to use university-affiliated debit cards to pay for indoor tanning sessions
3. Must provide access to an educational web page on the university website, focusing on the risks of UV exposure and skin cancer prevention practices, to students, faculty, and staff at all times.
4. Establishes an indoor tan-free college campus memo of understanding with the National Council

What does a School Receive for becoming a Platinum Level “Skin Smart Campus” School?

- Framed Skin Smart Campus Award certificate
- Two free sunscreen dispensers
- Free sunscreen – first year
- National recognition
- Campus signage
- Ongoing support & ideas for outreach events
- Promotion of achievements on social media
- Connection to Council members & resources

Skin Smart Campus Platinum Schools

Thank You!

Every contact you share helps us reach more campus communities!
